The screenshot shows the Schoology interface. At the top, there are icons for email, users, and a profile icon. The profile icon is labeled "Parent Test" and has a dropdown arrow. A dropdown menu is open, showing a list of children. The first item is "Parent Test" by "The British Schools" with a checkmark. The second item is "Child Test" by "The British Schools" with a hand cursor icon. Below the list is a "+ Add Child" button. At the bottom of the dropdown is a card for "The British Schools". A tooltip on the left says "Browse Schoology as a parent and view your children's activity".

- Within **Schoology** you should see your children this way.
