

# THE BRITISH SCHOOLS

*Founded 1908*

Dear Parents,

Our main aim is that all of our students feel valued and receive the best possible education, even though we are going through these difficult times.

We would like to remind you that in Forms 3 to 6, the work done by teachers in the morning is different from that presented in the afternoon. Therefore, if students are not present for either of the sessions, they are missing out on the knowledge being introduced or skills practiced. This will eventually have a negative effect, as knowledge is continually constructed through the activities and work undertaken. It is expected that all students are present, at School or online, between 0800 and 1130 and again in the afternoon between 1250 and 1545.

We would also like to point out the importance of refraining from organizing playdates for students during online class time. Students find it difficult to concentrate when they are at home with their friends. It is also very distracting for other participants and, at times, disruptive to both groups when members of the online group are playing together and clearly not following the lessons.

Kind regards,

Trudy Chappell

Estimados Padres,

Como siempre, nuestro principal objetivo es que todos nuestros alumnos se sientan valorados y reciban la mejor educación posible, aún al estar atravesando estos momentos difíciles.

Queremos recordarles que el trabajo de Form 3 a Form 6 realizado en la mañana, es diferente al presentado en la tarde. Por lo tanto, si los alumnos no están presentes en alguna de las sesiones, pierden parte del conocimiento introducido o habilidades practicadas. Esto eventualmente tendrá un efecto negativo, ya que el conocimiento se construye de forma continua, a través de las actividades y trabajos asignados. Se espera que todos los alumnos estén presentes, tanto en el Colegio o de forma virtual, entre las 0800 y 1130 y nuevamente en la tarde, entre las 1250 y 1545.

Queremos puntualizar también la importancia de que se abstengan de organizar citas para jugar durante las clases virtuales. Es difícil para los alumnos concentrarse cuando están en casa con sus amigos. Y también es un elemento de distracción para los otros participantes. El hecho de que alumnos que están online estén jugando juntos y no estén siguiendo la clase, distorsiona a ambos grupos.

Saludos cordiales,

Trudy Chappell  
Head of Junior
