

THE BRITISH SCHOOLS

Founded 1908

Dear Parents,

We would like to remind you of the correct use of the Drop Off zones for students from Kinder to Form 2 when they enter at 0900.

The system was designed to speed up entry, with vehicles stopping for the minimum amount of time for the students to get out. What is happening now is that cars are stopping for much longer as parents get out to give children their belongings, to say goodbye and wait to see them enter into the school buildings before continuing on their journey. This delay causes long queues to form, inconveniencing other drivers, both from our community and other members of the public, circulating along Maximo Tajés.

In order to avoid accidents which could involve our students and family members, we ask for your collaboration in avoiding this delay in the future by using the Drop Off zones in the correct manner. We would also like to take this opportunity to remind you of the Traffic Flow (click [here](#)) where you can check the circulation and entry / exit times of students, therefore facilitating transit around the School.

Please remember, that you always have the option of parking your vehicle and walking to the school entrances.

We thank you in advance for your collaboration in making the area around the School safe for all concerned.

Kind regards,

Trudy Chappell
Head of Junior

Estimados Padres,

Queremos recordarles el uso de *Drop Off* para los alumnos de Kinder a Form 2 en el ingreso de las 09:00 hrs.

El sistema fue diseñado para agilizar el ingreso, deteniendo el vehículo el tiempo mínimo necesario para que los alumnos desciendan. Actualmente se están estacionando varios minutos; los Padres descienden a entregar las pertenencias a sus hijos, se despiden y esperan a verlos ingresar, antes de continuar la marcha. Esta demora genera la formación de una larga

fila, causando malestar en automóviles que circulan por Máximo Tajés, tanto propios como ajenos a la comunidad.

A los efectos de prevenir accidentes, donde se puedan ver involucrados nuestros alumnos y familiares, le solicitamos su colaboración para evitar esta práctica en un futuro. Les recordamos el *traffic flow* clickeando [aquí](#), donde pueden revisar la circulación en las horas de entrada y salida de los alumnos, y así también evitar estancamientos en el tránsito.

Recuerden que siempre tienen la opción de estacionar y arribar caminando.

Agradecemos desde ya su colaboración para lograr un tráfico seguro.

Saludos cordiales,

Trudy Chappell
Head of Junior
