Dear Parents,

Online learning will begin tomorrow, Wednesday 18th March. We would like to inform you of how we are going to work virtually with your children in the next couple of weeks.

Kinder to Form 3 - our contact with you will be via Google Drive – you will be sent a link which will take you to the year group’s shared drive. In the shared drive you will find folders, one for each week, inside of which you will find the daily activities which have been sent for your child’s year group.

Our youngest students will need support and guidance to complete the activities. For this reason, each activity will have an objective in the form of a WALT (We Are Learning To). You will also find a section entitled “guidance for parents” which will help you to understand how the activity should be conducted.

Form 4 to Form 6 - students will be using Schoology as the platform for receiving work and communicating with teachers and other class members during normal School hours. These year groups are very familiar with this way of working.

Activities will also be sent each week by specialist teachers and members of the Learning Support team, they can be found in the same place as the work set by Form Teachers. Teachers will send suggestions of website and activities to help students to keep occupied and support them as they continue in their learning process.

We appreciate your ongoing support in guiding your children and helping them to enjoy this virtual learning experience, which will allow them to continue their learning with as little interruption as possible.

Regards,

Trudy Chappell

Estimados Padres,

Mañana miércoles 18 de marzo comenzará el aprendizaje en línea. Queremos informarles la forma en que trabajaremos virtualmente con sus hijos en las próximas semanas.

Kinder a Form3 – el contacto será vía Google Drive – se les enviará un link que los llevará a la unidad compartida de la clase. En esa unidad encontrarán carpetas, una por cada semana, dentro de la cual se cargarán actividades diarias para el grupo de su hijo.

Nuestros alumnos más pequeños van a necesitar apoyo y guía para completar las actividades. Por esta razón, cada actividad tendrá un objetivo WALT (en español, Estamos Aprendiendo A...). También encontrarán una sección titulada “guía para padres” que les ayudará a entender cómo guiar la actividad.

Form 4 a Form 6 – los alumnos utilizarán la plataforma Schoology para obtener los trabajos y comunicarse con los docentes y otros miembros de la clase, durante el horario habitual de clases. Los alumnos de estos grupos están familiarizados con esta forma de trabajo.

También se enviarán actividades semanales de docentes Especialistas y del departamento de Learning Support. Los van a encontrar en el mismo lugar donde están los trabajos de los Form Teachers. Los docentes les enviarán sugerencias de páginas web y actividades para mantener a los alumnos ocupados mientras continúan con su proceso de aprendizaje.

Les agradecemos el apoyo continuo en guiar a sus hijos y en ayudarlos a disfrutar esta experiencia virtual, lo que les permitirá continuar su aprendizaje con la mínima interrupción posible.

Atentamente,

Trudy Chappell
Head of Junior
