December 7th, 2020

Dear Families,

We would like to let you know that we have a student in Prep S who had tested positive to the COVID-19. She has a sister in 2YL who has been tested and is waiting for the result. Our students and their family are in good health, following the recommendations from the health authorities.

According to the MSP's advice, and the existing protocols, we have communicated with the parents of 2YL generation whose children must stay at home in preventive quarantine, and take any other necessary precautions.

If there are any further developments, we will keep you informed. We have little time left until the end of the academic year, and I know that everyone wants to make it safely and successfully through to the end.

Estimadas Familias:

Les informamos que se ha detectado un caso positivo de COVID-19 en Prep S. La alumna tiene una hermana en 2YL que ha sido hisopada y está esperando el resultado. Queremos darles la tranquilidad que nuestras alumnas y su familia se encuentran bien, siguiendo las recomendaciones de las autoridades sanitarias.

De acuerdo a la asesoría del MSP y los protocolos vigentes, nos hemos comunicado con los padres de la generación de 2YL cuyos hijos deben realizar cuarentena preventiva y tomar otras medidas de cuidado.

Los mantendremos informados en caso de tener novedades. Falta poco tiempo para finalizar el año académico y sé que todos quisieran que fuera de manera segura y exitosa hasta el final.
