

THE BRITISH SCHOOLS

Founded 1908

Dear Parents of Form 1 and Form 2 students,

We would like to inform you that as from next Monday, 8th March, Form 1 and Form 2 parents may use the drop off system inside the School. This also includes their brothers and sisters.

We have been pleased with the start of the new system, and are continually looking for ways to improve the traffic flow outside the School. As I am sure you know, somethings such as other motorists are beyond our control.

The system relies on parents staying in the car, while their children get out as quickly as possible. To make this possible, students need to have all their belongings with them inside the car, not in the trunk of the car. Our staff will be present to help, and it is important that parents follow instructions from the staff. As I mentioned earlier, it is likely there will be some 'teething issues', but these will get resolved quickly, so we ask for your patience. The gate will open from 7.45 to 8.10 am. Parents who, for whatever reason, prefer to accompany their children to the school gates, should not use this method of dropping their children.

May I also remind you that when using Máximo Tajés, please continue in the direction of the Old Boys and Old Girls Club, and not do a U-turn or double back towards Havre as this not only causes traffic blocks, but is also dangerous for parents and students.

Thank you again for your cooperation and support.

Regards,

Mark Rosevear
Principal

Estimados Padres de alumnos de Form 1 Form 2:

Les informamos que, a partir del próximo lunes 8 de marzo, los padres de alumnos de Form 1 y Form 2 podrán utilizar el sistema de drop off del Colegio. Esto incluye también a sus hermanos.

Estamos conformes con el inicio del nuevo sistema y buscamos continuamente formas de mejorar el flujo de tráfico fuera del Colegio. Lógicamente, algunas cosas, como los demás automovilistas, están fuera de nuestro control.

El sistema se basa en que los padres se queden en el coche, mientras sus hijos bajan lo más rápido posible. Para que esto sea posible, los alumnos deben tener todas sus pertenencias dentro del coche, no en el maletero del mismo. Nuestro personal estará presente para ayudar, y es muy importante que los padres sigan estrictamente sus instrucciones. Como he mencionado antes, es probable que haya algunos "problemas iniciales", pero se resolverán rápidamente, por lo que les pedimos paciencia. El portón estará abierto de 7:45 a 8.10 horas. Aquellos padres que por alguna razón

prefieren acompañar a sus hijos hasta el portón del Colegio, no podrán utilizar este método de drop-off.

Permítanme recordarles que cuando circulen por Máximo Tajés por favor continúen en dirección a Old Boys and Old Girls Club y no hagan un giro en U o regresen en doble sentido hacia la calle Havre, ya que esto no sólo causa bloqueos de tráfico, sino que también es peligroso para los padres y alumnos.

Les agradecemos, una vez más, su apoyo y cooperación.

Atentamente,

Mark Rosevear
Principal
