

THE BRITISH SCHOOLS
Founded 1908

Dear Senior Students,

As you will be aware smoking is extremely prejudicial to health. The school tries, through education, to encourage healthy lifestyles. Obviously, smoking is prohibited within the school grounds - for both students and members of staff. However, groups of both students and staff continue to smoke in the roads and areas immediately adjacent to the school. As this is both injurious to health and a very poor example for younger students, I have asked staff members not to smoke within 1 kilometre of the school. This will also be the case for all students. Additionally, in the case of all students, it will be considered a breach of the code of conduct to be found smoking in school uniform or whilst engaged in any school activity – wherever this might be occurring.

Students who smoke but wish to stop, will be offered counseling and, if appropriate, treatment in order to do so.

Estimados Alumnos de Senior:

Como todos ustedes sabrán, fumar es extremadamente prejudicial para la salud. A través de la educación, el colegio intenta fomentar un estilo de vida saludable. Es claro que está prohibido fumar dentro de las instalaciones del colegio – tanto sea para los alumnos como para los miembros del personal. Sin embargo, hemos visto a grupos de alumnos y de miembros del personal que continúan fumando en la calle y áreas contiguas al colegio. Dado que fumar es perjudicial para la salud y un pésimo ejemplo para los alumnos menores, he solicitado a los miembros del personal a no fumar en un kilómetro a la redonda del colegio. Igual medida será aplicada para los alumnos. Adicionalmente, en el caso de todos los alumnos, se considerará una infracción al código de conducta de ser encontrado fumando en uniforme del colegio o estando

involucrado en cualquier actividad del colegio, dondequiera que ésta se realice.

A los alumnos que fuman pero que desean dejar de fumar, se les brindará asesoramiento y tratamiento, en caso de ser necesario.

Saludos,

Alan Ripley
