

THE BRITISH SCHOOLS
Founded 1908

Dear 5YL & 6YL Students,

As we start a new and challenging year, we would like to remind you about an important aspect of school life: uniform and personal appearance.

Please remember that it is a requirement of the School that students wear the correct uniform and be neat and tidy in appearance at all times. Male students must be clean shaven and hair must be neat and short.

The School expects the same high standards with uniform and appearance as it does with academic standards and personal wellbeing. Wearing the correct uniform helps create a sense of pride and belonging to The British School's community. It also imparts a sense of respect towards others and towards the School as an institution, its traditions and values. Please note that staff members will check that all students comply with the School's requirements regarding uniform and personal appearance.

We hope that you will wear your uniform with pride and take full advantage of the academic year ahead.

Kind regards,

David Rennie
