November, 2020

Dear Graduating Students,

On behalf of the Board of Governors and the entire School community, congratulations to each and every one of you for having successfully completed your studies at The British Schools. This is an important milestone and you should be proud of your accomplishment. It takes a lot of work and effort to get through the School and we trust you will soon come to realise the considerable impact your School days will have on many aspects of your life.

Congratulations and Thank You must also be extended to your parents and families for their all-important support and encouragement. And, of course, a very big Thank You is also due to your teachers and all the staff of the School for guiding you through this crucial time in your life. Few of us, if any, would be where we are without the dedication and hard work of our teachers.

Due to COVID-19, 2020 will clearly be remembered as an extraordinary year. It has not been what you, or any of us, expected nor wanted. Many activities that typically mark one's last year at school have had to be cancelled due to government protocols and learning has had to be carried out in innovative ways. However, in the future as you look back on your final year at The British Schools, we hope that 2020 and all the adjustments made during the year will draw together this generation in a special way, and that in 2070, when you celebrate 50 years of this event, the level of excitement will be amazing and that you will have many, many unique School stories to reminisce about with each other.

Congratulations once again and enjoy your well-earned holidays. We look forward to seeing all of you again for a special graduation celebration with your families as soon as it is deemed safe to do so.

Sincerely,

Martin H. Wells MBE
Chairman
