THE BRITISH SCHOOLS

Founded 1908

Dear Parents,

Once again we find ourselves facing the challenge of online teaching and learning, this time with more experience and preparation.

From the Psychology and Learning Support Departments we are continuing to work closely with Form Teachers to accompany our students and their families through the changing conditions.

We understand that social interaction amongst students is one of the essential areas of school-life that proves most challenging to replicate whilst the children remain online. Thus, during the online period this year, we would like to invite your children to participate in ***Virtual Breaktimes***.

The aim is to create an online moment where students can interact amongst themselves with a reference person from Student Support Services. The frequency and dynamics carried out during these gatherings will vary according to the students' needs and age.

These virtual get-togethers will be optional. Initially, they will take place once a week per class during the morning or afternoon break time. The link, day and time for each class will be indicated in each class' timetable.

We hope your children enjoy this opportunity.

Best regards,

Student Support Services Team

Estimados Padres,

Una vez más nos encontramos frente al reto de la enseñanza y el aprendizaje en línea, esta vez con más experiencia y preparación.

Desde los Departamentos de Psicología y *Learning Support* continuamos trabajando en estrecha colaboración con los *Form Teachers* para acompañar a nuestros alumnos y sus familias a través de estas cambiantes condiciones.

Entendemos que la interacción social entre los alumnos, es una de las áreas esenciales de la vida escolar que resulta más difícil de replicar, mientras los niños permanezcan en línea. Por lo tanto, durante el período online de este año, nos gustaría invitar a sus hijos a participar de los **Recreos Virtuales**.

El objetivo es crear un momento virtual donde los alumnos puedan interactuar entre sí, con una persona de referencia de *Student Support Services*. La frecuencia y la dinámica de estos encuentros variarán en función de las necesidades y edad de los alumnos.

Estas reuniones virtuales serán opcionales. Inicialmente, se llevarán a cabo una vez por semana por clase, durante el descanso de la mañana o de la tarde. El enlace, día y hora de cada clase se indicarán en el calendario de cada clase.

Esperamos que sus hijos disfruten de esta instancia.

Saludos cordiales,

Student Support Services Team
