

THE BRITISH SCHOOLS

Founded 1908

Dear Families,

We are writing you to inform you that we have a student in Generation 2020 (6YL) who had tested positive to the COVID-19.

Our student and his family are in good health, following the recommendations from the health authorities.

According to the MSP's advice, and the existing protocols, we have communicated with those students who must stay at home in preventive quarantine, and take any other necessary precautions. Other students, unless they have been contacted by the School, should continue as normal.

Students in 6YL had previously taken their IB Diploma exams in the auditorium. They will now enter and leave the School through the new green gate by the gymnasium, and take their exams in the gymnasium, away from the other students in the School. They will not enter any of the other School buildings. Any support classes 6YL students have arranged with teachers will now take place virtually. The gymnasium will be disinfected accordingly before and after their use, as well as other venues of the School that were used previously.

It is a very difficult way for the 6YL students to end the last days of an already difficult period. If there are any further developments, we will keep you informed.

This is the moment that everyone hoped to avoid, but it is with us, and we need to remain calm and follow procedures. We have little time left until the end of the academic year, and I know that everyone wants to make it safely and successfully through to the end.

Estimadas Familias:

Les escribimos para informarles que se ha detectado un caso positivo de COVID-19 en la Generación 2020 (6YL).

En primer lugar, queremos darles la tranquilidad que nuestro alumno y su familia se encuentran bien, siguiendo las recomendaciones de las autoridades sanitarias.

De acuerdo a la asesoría del MSP y los protocolos vigentes, nos hemos comunicado con aquellos alumnos que deben realizar cuarentena preventiva y tomar otras medidas de cuidado. En relación al resto de los alumnos, si no han sido contactados por el Colegio, deberán continuar con la actividad normal.

Los alumnos de 6YL han tomado los exámenes previos en el auditorio. De ahora en adelante entrarán y saldrán del Colegio por el nuevo portón verde del gimnasio donde tomarán sus

exámenes sin contacto con el resto de los alumnos del Colegio. No se les permitirá ingresar a ninguno de los otros edificios. Las clases de apoyo brindadas a alumnos de 6YL seguirán de modo virtual. El gimnasio será desinfectado antes y después de su uso, así como también otras instalaciones que fueron utilizadas previamente.

Es muy difícil para los alumnos de 6YL finalizar sus últimos días luego de un período tan difícil. Los mantendremos informados en caso de tener novedades.

Este es el momento que todos quisimos evitar, pero ha llegado y necesitamos mantener la calma y seguir los procedimientos. Falta poco tiempo para finalizar el año académico y sé que todos quisieran que fuera de manera segura y exitosa hasta el final.
