Uniform and Appearance Policy

The Mission of The British Schools' community is to:

- *Form self-confident, creative, inquiring, discerning, fully bilingual students who will strive to develop their talents to the best of their abilities.*
- *Strive for the highest standards, providing the educational environment and infrastructure to help students to achieve excellence according to their potential in academics, arts and sports, while recognising individual differences and needs.*
- *Instil the importance of all human values (including moral, aesthetic, spiritual and social) in all aspects of personal growth and physical development.*
- *Encourage and promote a sense of belonging, a deep-rooted pride and affection for the School as an Institution, its traditions, School Spirit and institutional memory.*
- *Instil in students the finest aspects of Uruguayan and British values and culture, such as a sense of justice, self-discipline, tolerance and civility, while also offering them the best possible preparation for life in an intercultural setting within a global community.*
- *Develop in students a sense of profound empathy and an awareness of their responsibility to their community and the need to use their gifts and experience for the good of the world.*

Introduction

There are important phrases in our Mission Statement, explaining the purpose of school uniform. When we say, '*Encourage and promote a sense of belonging, a deep-rooted pride and affection for the School as an Institution, its traditions, School Spirit and institutional memory*', we believe that one way The British Schools strives to promote a sense of self-respect, ownership and identity is through its uniform. It allows students to feel that they are proud of being a part of the School. Our uniform enhances this feeling of belonging.

The Role of Parents

The role of parents is crucial and we expect parents to support the uniform policy. Parents sign agreement to this effect in the Rules and Regulations when they enter the School. It is the responsibility of parents to ensure that their child has the correct uniform and that the uniform is clean and in good repair. Parents must also ensure their children come to School with the correct appearance. Details are set out below.

The Role of Teachers

Teachers make sure students are correctly dressed for their lessons. If students are incorrectly dressed, the teacher will inform the Head of Year, who will contact the family.

Appearance

Jewellery

We do not allow visible piercings. When girls wear earrings, the piece of jewelry can be no more than 2cm in length or diameter.

Nail Varnish

Coloured nail varnish is not permitted.

Hair

The School does not permit children to have 'extreme' haircuts, nor does it allow dyed hair. Boys should wear their hair above the collar. Boys must be clean shaven. In Junior, girls should tie their hair back at all times.

Responsibility for valuables

If a student brings a mobile phone, computer, calculator or any electronic item, the School cannot accept responsibility if that item goes missing. If a student brings any of these items ringing to School, the care of these items is their responsibility.

Students should take particular care with valuable items, and students in Senior should leave valuables in their lockers, with the doors locked. In Junior, students are discouraged to bring anything of value to School.

School Uniform

Every article must have the owner's name marked on it.

If any student arrives dressed incorrectly, they will be asked to correct their uniform or appearance before entering School.

If a student has a temporary problem with an item of uniform, a note must be brought signed by parents. This note is valid for a maximum of three days.

If there are repeated infringements, then the students will face further consequences, such as a detention.
